

Orange County Stroke Rehab Network

Date/Time: Thursday, October 6, 2011 / 7:00 pm

Location: American Heart Association office
4600 Campus Drive
Irvine, CA 92617

You are invited to the next meeting of the Orange County Stroke Rehab Network. This network is intended to provide a forum for learning, discussion, and interaction with colleagues—all revolving around stroke rehabilitation. The group consists of all persons who play a role in stroke rehabilitation, including therapists, physicians, nurses, and researchers, coming together to educate each other, share information, discuss innovative therapies, and collaborate to enhance the quality of care.

Please consider joining us to discuss

1. Community Speaker: Dr. Eric Ikeda, director of the Neuro-Optometry Clinic at Casa Colina Rehabilitation Hospital (Pomona)
2. Our upcoming second annual symposium, "***The OCSRN Stroke Rehabilitation Continuing Education Workshop,***" which will take place Saturday, November 5, 2011, from 9 a.m. –12 noon (speakers Dr. Candace Vickers, Dr. Ana Solodkin, Dr. Walt Scacchi)
3. The OCSRN website (www.ocsrn.com), and how it can better serve our needs. **Towards this, please bring to the meeting some of your own links to resources that can be added to the website.**
4. Other stroke rehabilitation topics, to be raised by attendees

Please **RSVP** to stroke@uci.edu if you can join us 10/6/11. Light refreshments will be provided.

Please do share this with any appropriate colleagues who might not have received a copy. If any questions, we can be reached at stroke@uci.edu. Hope to see you there!
